ST MARY'S COLLEGE

Examination provision during school closure 2nd November **28th October 2020**

Dear Parent/Guardian,

Further to yesterdays confirmation of the school being closed to pupils Monday 2nd November I'm writing to confirm plans surrounding the GCSE English Language and/or GCSE Mathematics examination for your child.

If your child is sitting the English Language examination on Monday 2nd November the exam **will** still be occurring and your child must attend at 8:45 for the regular start to the school day. SM6 pupils will meet in sixth form social area on the M corridor. After the exam they will be expected to leave site unless they are sitting the Mathematics exam in which case, they should return to the SM6 building and join the intervention.

If your child is sitting the Mathematics examination on Tuesday 3rd November your child must attend college at 8:45 on Monday 2nd November for the regular start to the school day. The Mathematics departments have a full day of intervention planned to support students ahead of Tuesday's examination.

Our records show that the only school bus services required for the students due to attend site are SMC1, SMC3, 940, 955, 956, 957, 958, 959, 960, 961 & 962. These services will still run at the normal time Monday morning but will leave site at approximately 12pm to facilitate an early return home for the majority of students. If the service you require is not listed, please contact transport@smchull.org before 4pm Thursday 29th October stating your name, the bus service you usually use and the location you catch the bus from.

Those students staying for Maths Immersive in the afternoon will be expected to make their own way home. If this creates a problem, please contact sm6team@smchull.org.

Yours faithfully,

L. Haworth
