

**TIGERS TRUST**  
IN THE COMMUNITY

Dear Parent/Carer and Young Person,

The NCS programme offers young people, aged 16-17, a once in a lifetime opportunity to do something meaningful with their summer break, as well as a chance to develop skills and take on new challenges that will set them up for adult life. They'll also do something good for their local community, carrying out a project to support a cause they care about. We've seen first-hand what an amazing feeling of accomplishment and increased confidence this brings. Last August, teenagers on NCS donated 200,000 hours of their time to help rebuild their communities after the first lockdown, showing what a difference young people can make when they work together towards a goal..

More information on the NCS summer programme can be found below or on our website;

A place on NCS is worth around £1500. However, thanks to government funding for the programme, we only ask for a contribution of **£50** to cover some basic costs. We want to ensure that everyone can do NCS so there are bursaries available if you need some help to cover the cost.

- 26<sup>th</sup> July (3 week programme including 1 week away residential)
