

May 2021

Dear Parents and Carers,

Thank you for your support with the New York Trip 2022. We have been overwhelmed by the reaction of our students which has resulted in record numbers indicating their interest in the trip.

Currently, the trip is significantly oversubscribed. We strongly feel that our students deserve to have this opportunity of a lifetime and so we have started the process with our tour company to see how we can cater for significantly increased numbers. We will do everything we can to try and accommodate all students who would like to visit New York with us.

In order to help the process, we are still asking you to make the £150 deposit payment. This will be an important indication for us of how many places we need to secure. We ask that you make this payment by Friday 21st May as stated in the original letter. The trip should now be on your Parent Pay account. We ask for your patience with us confirming places on the trip, as well as outlining the details of the payment plan which we provide to help spread the cost of the trip over monthly payments. Should we be unable to secure more places on the trip, places will be allocated on a first come, first serve basis with a reserve list for if any student were to drop out of the trip. We are however very hopeful that we can adapt our plans so we can take more students.

I would like to thank you in advance for your patience and understanding whilst we go about making the necessary arrangements. This could take a few weeks for us to finalise as we need to wait on confirmed numbers before proceeding, but we will be back in touch with further news in the not too distant future.

Yours sincerely,

Miss R Flanagan
