Welcome to Reading Cloud

Reading Cloud is a leading library management system with an online student reading community that puts your library right in the heart of your school and supports you in raising literacy standards, developing information literacy skills and encouraging students to become life-long readers.

Find out why more than 8000 schools and 6th Form colleges use Reading Cloud every day to engage their students, parents and educators in reading for enjoyment.

© 2020 - Capita Reading Cloud

- On the internet, go to **readingcloud.net**
- The number on your library barcode sticker is your **username and password – super easy!**
- In the **School box**, write **HU6** and select **St Mary's College** from the list.

Add a status update, letting everyone know what you're reading or how you're feeling.

Change your avatar, write a bit about yourself and manage your friends list

Change the colour of your page!

Search for a book. If we have it in the LRC, you can place a 'hold' to request it.

More...

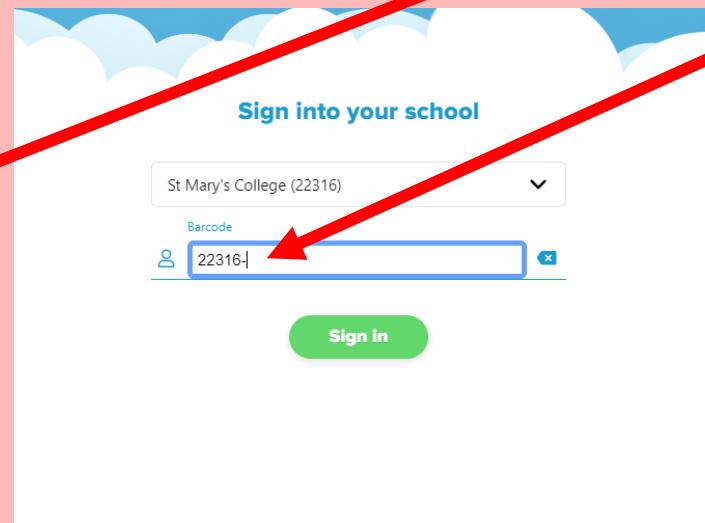

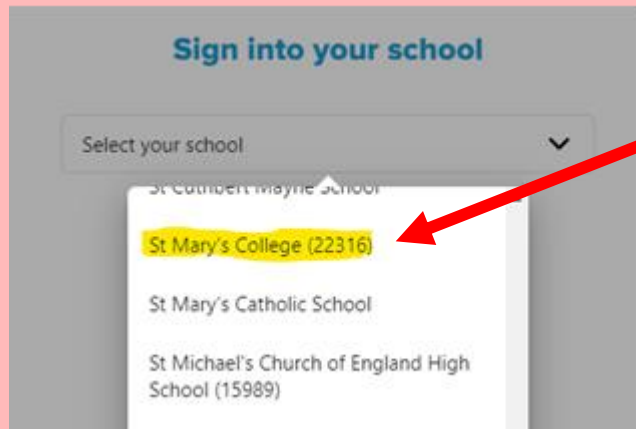

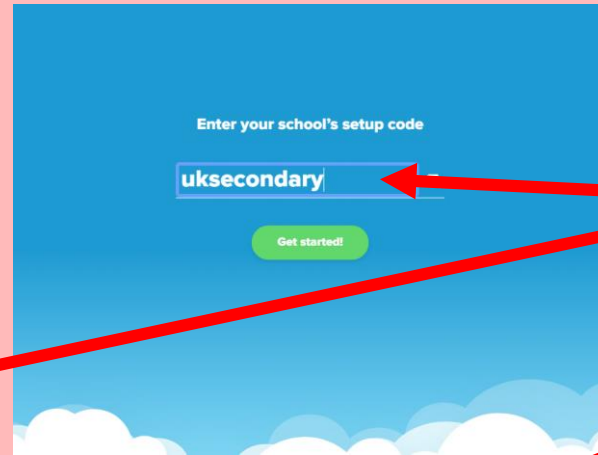

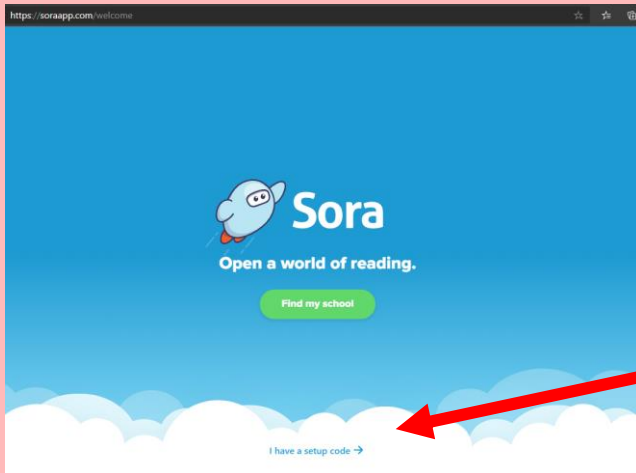

What is Sora?

- An app for e-books and audiobooks
- Search for e-books to borrow, browse the selection and access them on your phones, tablets and computers
- Like a real library, if a book is 'out', you may have to place a hold and read something else while you wait for it to be available

Getting logged in

- On the internet, go to **soraapp.com**
- Enter the setup code **uksecondary**
- Select **St Mary's College (22316)** from the drop-down box
- Enter the special code **22316-XXXX** but instead of XXXX enter your barcode number on the sticker
