

25th March 2021

Dear Parent/Carer,

Please find attached a copy of the current weekly Key Stage 5 progress support timetable for the remainder of the academic year. However, please do look out for amendments and additions on the school website as this is subject to change as the year progresses. Furthermore, this timetable doesn't include the regularly informal support sessions that occur in many subject areas throughout the week,

We strongly advise that students make every effort to attend as many of these support sessions as possible in preparation for their forthcoming assessments in both Year 12 and Year 13. In our experience, students greatly benefit from the extra time spent with an expert in their subject thus we are hugely appreciative of the time our staff give up to organise these sessions.

I have also attached the timetable for progress support and catch up sessions that will take place over the Easter break. All sessions will take place in the SM6 building, unless otherwise stated by subject teachers.

Thanks for your on-going support. It is much appreciated.

Kind regards,

The SM6 Team
