

ST MARY'S COLLEGE

3rd September 2020

Dear SM6 Scholars, Parents and Carers,

In order to assist with your UCAS applications, we would like to invite you into college on **Thursday 10th September at 10:00am** for a two-hour tutorial. You will receive a short presentation from Mr Charlton in the Theatre followed by some time in an IT suite in which our SM6 Scholars tutors will be on hand to help and advise you with your application and personal statement at a safe social distance. It will also be an excellent opportunity for them to better understand your academic strengths and interests in order to write your reference. As you will no doubt be aware, the entry deadline for the Universities of Oxford and Cambridge and most courses in Medicine, Veterinary Medicine/Science and Dentistry is **15 October**, so time is of the essence.

If you have decided that you no longer wish to apply to the aforementioned Universities or courses, we would still strongly urge you to attend this session and complete your application as soon as possible. This will mean that you won't have to worry about it as December mock examinations approach and you can fully concentrate on your studies to ensure you get the best grades possible.

If you are unable to attend, please don't worry, there will be more opportunities in the first few weeks to work with your tutors on your applications. Similarly, if you are unable to attend the full session, you are welcome to join for as much as you are able to. We request that all students sign in at the Main Reception accessible via Cranbrook Avenue and wear their lanyard at all times.

Please let Emma Horrex know as to your availability by sending an e-mail to ehorrex@smchull.org.

If you have any further questions, please do not hesitate to get in touch with me via sm6team@smchull.org

Yours sincerely,

Mr L. Haworth , Director of Sixth Form
