

ST MARY'S COLLEGE

14th July 2021

Sport England Active Lives Survey

Dear Parent/Carer,

St Mary's College has been randomly selected by Sport England to take part in the Active Lives Children's Survey (ALCS) for the second half of the Summer Term. The ALCS is a school-based survey that measures children's engagement in and attitude to sport and physical activity. The survey is conducted by Ipsos MORI on behalf of Sport England.

The ALCS will provide St Mary's College with a written report which provides a valuable opportunity to understand the impact of Covid-19 on our pupil's resilience and physical and mental wellbeing. The survey has been designed in a child friendly format. Parents/carers can use computers, lap-tops or Ipads.

As a PE department, we would be grateful if you could support your son/daughter to complete the survey via the link below by Saturday 31st July 2021.

<https://ipsos.uk/VJZSJ>

We are offering students who complete the survey a chance to win a hoodie. Two hoodies will be allocated to each year group with one for a male student and one for a female student. Please register via the link below to indicate when you have completed the survey.

<https://forms.office.com/r/Vs9dT3bfQw>

Hoodies will be awarded to a male and female student in each year group when we receive the results of the survey.

If you have any questions or queries, please do not hesitate to contact me via e-mail SMCSport@smchull.org.

Yours sincerely,

M Arridge
