

08 January 2020

Dear Parent / Carer,

I would like to take this opportunity to thank you for your continued support and patience this week. As highlighted by Mr Perry in a letter to parents on the 5th January, we have learned a great deal from our experience of working remotely to date. We are now as well placed as at any point to respond to the challenges presented by the current circumstances.

This week, Year 10 students have been accessing live lessons in the following subject areas: English, Humanities (History or Geography) and Option A subjects. All other subjects have been sharing work via Teams to be completed independently. From Monday 11th January, Year 10 students will receive significant live teaching with staggered opportunities to work away from a device through structured independent activities. Please see the table below for subject specific details:

Subject	Live lessons	Independent Learning	Total Lessons	Notes
Maths	4	0	4	
English	4	0	4	
Science	4	0	4	
RE	2	0	2	
Humanities	3	0	3	
MFL	2	0	2	
Opt A	1	1	2	Some subjects will be delivering all lessons Live
Opt D	1	1	2	
PE	0	0	0	Home work out / competitions shared by PE staff

Lessons will be reduced to 50 minutes. This will allow substantial and regular screen / comfort breaks and time for effective transitions to take place.

In addition to the structured curriculum there will be:

- A pre-recorded video assembly, once a week, delivered by the Year 10 Team.
- A pre-recorded Collective Worship assembly delivered by the Chaplaincy Team.
- Time in the morning dedicated to reading.
- Opportunities provided for tailored physical activity to promote health and wellbeing;
- A suite of additional technical, academic and personal support/guidance available for students through our SMC Study area on SharePoint
