

## ST MARY'S COLLEGE

21<sup>st</sup> May 2021

Dear Year 13 Students, Parents and Carers,

As the TAG assessment process nears its conclusion, I am writing to inform you of the arrangements for Year 13 students for the remainder of the academic year. As Mr Perry has already expressed in his recent letter, we are duty bound to provide an education for Year 13 students beyond the completion of the TAG assessment process. However, after half term, our intention is for this provision to be remote, meaning **Friday 28<sup>th</sup> May** will be Year 13 students last mandatory day on site. There will be more information to follow in due course regarding the work that will be sent for students to complete remotely, but it will cover areas such as work experience and preparation for University. To commemorate their last day on site, we are **extending the school day until 5:30pm** so as to enable students some time to enjoy with their friends and teachers, during which time hot food and refreshments will be provided. Please note that attendance at college until this time is not mandatory and school buses will be running as normal. As ever, could I remind you of the importance of continuing to adhere to our **lateral flow testing schedule every Wednesday and Sunday** and for all results to be updated on the usual Microsoft Forms link.

Up until this point, students will be required to attend all lessons as normal during which further evidence gathering will take place where necessary and students will be given the opportunity for focused revision, to complete heretofore incomplete aspects of their Level 3 programme of study and complete work that will help prepare them for further study.

Thank you for your support during this incredibly trying time. If you have any further questions, do not hesitate to get in touch.

Kind regards,

Mr L Haworth  
Director of Sixth Form
