

Tuesday 18<sup>th</sup> May 2021

Dear Parents/Carers,

I would like to invite you to watch an information video about our Relationships and Sex Education programme, you will receive a text message with a link to follow in order to view this. The link is also attached below,

<https://www.youtube.com/watch?v=CCCkpVUEF8>

In line with the teaching of the Catholic Church and with the co-operation of parents and carers, we strive to ensure a positive, structured programme of sex education, implemented in a co-ordinated manner as part of our overall curriculum. This involves the teaching of human love, marriage and family life in which the biological, social and moral aspects of sexual behaviour are explored and related. Sex education is not separate but is delivered progressively in appropriate subject areas throughout a student's time at St Mary's College. Your child will shortly be covering aspects of this curriculum in a diverse range of lessons which include Personal, Social and Health Education, Religious Education and Science. We would like to share the content and process of this education and give you the opportunity to be informed and seek further advice and information.

If you have any questions after watching the video, please do not hesitate to contact the Year 7 office and we will be happy to help with your enquiries.

Yours sincerely,

*J. Dale*
