

ST MARY'S COLLEGE

Dear Parent/Carer,

Following on from their committed effort to this summer's GCSE & BTEC grade awarding process, your child will be eagerly anticipating receiving their results. This year GCSE results day is **Thursday 12th August**. Students will be able to collect their results from the **top floor** of the SM6 building **from 9 am** that day. Staff from subject departments and SM6 will be on hand to discuss options available to students based on their results. Those students who have been made an offer to study at SM6 should enrol at their allocated time slot on the **bottom** floor of SM6, details of which will be posted out to them. If you need clarity on when this is or if you can't make your allocated time slot, please contact sm6team@smchull.org

You may collect results on behalf of your child if you can present staff with a signed letter from your child stating they are happy for you to retrieve their results. Alternatively, if you and your child are unavailable on that day you may request the results to be emailed out by contacting the examinations office in advance of results day, via email; DEC@smchull.org. Once all on-site students have received their results, emailed results will be sent out later that day. Any results not collected will be posted out on Friday 13th August.

Please note, the results slips are a notification of your child's success and not the certificates they will need to produce for further education or employment. These are issued in November and we will write to you in the new academic year inviting you to a presentation evening, where all students will be able to collect these valuable documents and reflect on the new chapters of their lives so far.

We will look forward to seeing you all in August to celebrate Year 11's success.

Yours sincerely,

G. Wild
