

ST MARY'S COLLEGE

Mock Results Day Information
Thursday 14th January 2021

Dear Year 13 Students and their Parents/Carers.

Year 13 students will receive their results for any examinations that were sat during the December mock examination series on **Thursday 14th January**. These will be sent to students via their college e-mail address. I am truly sorry that we are unable to conduct December Mock Results Day on site, but ultimately, we have to adhere to government directives and thus issue your results remotely.

We trust and hope your results are as good as you had hoped for and that your hard work and determination has been duly rewarded. However, it is important that these results are understood in context. They are an important, yet partial indication as to your strengths and weaknesses at the end of a much disrupted first term of your second year of study. Your performance in these assessments provides both you and your teachers with valuable information as to your progress and how to improve, and it is crucial that in the coming weeks of remote education you respond positively and do not allow your focus or commitment to your studies to drop. We are still unclear as to the requirements for summer assessments and thus we must make the best possible use of the time we have left. This means ensuring you must attend all of your live lessons on time, well-prepared and complete all work set to the best of your ability. Rest assured, we will continue to evaluate the progress you have made during this period of remote education, including when you return to school. Irrespective of the decisions made with regards to summer assessments, this is a key transition point in both your academic and personal life and we, as your sixth form provider, remain committed to prepare you as well as we possibly can.

If, for whatever reason, you would like to get in touch with one of the SM6 Team to discuss your results, please e-mail jcharlton@smchull.org with your query. Your teachers, tutors, our Grad Interns and the wider SM6 Team are also on hand to provide support and guidance too, should you need it.

Yours sincerely,

Mr L Haworth
Director of Sixth Form
