

ST MARY'S COLLEGE

21st June 2021

Extra-Curricular Activities Procedures

Dear Parent/Carer,

The philosophy at St Mary's College in terms of school sport and physical activity is that all students will be given the opportunity to represent the school in an inter-school sport competition, activity or festival whether virtually or face to face. The focus of our extra-curricular activities is on the students having fun and enjoyment but developing key life and employability skills such as teamwork, co-operation, communication, responsibility and resilience.

In order to maximise opportunities for students, at lunchtimes we offer mass participation clubs in a range of activities. Our after-school activities are focused on competitive school sport fixtures with opportunities provided by external providers and local community clubs. Regardless of perceived ability or previous experience, we will provide your son/daughter an opportunity to participate and represent the school in an inter-school activity whether virtually or face to face. As part of our offer, we run multiple teams; for example, there are four Year 7 boys' football teams and two Year 7 girls' football teams.

Policies and Procedures

In order to support with our planning and ensuring that health and safety procedures are adhered to, we would like you to complete the questionnaire via the link below. The questionnaire is the PC1 form which provides staff with emergency contact details, medical information and media/GDPR information. This is vital information in case of emergency and important information when we resume inter-school sport activities in September, circumstances permitting.

PC1 Form

<https://forms.office.com/r/JNtzreLOBi>

We will communicate the details of any fixtures and subsequent arrangements to parents via the e-mail addresses provided. Students will be provided the information to write in their planners via nominated team captains, vice-captains or nominated student leaders.

End of Activity Procedures

Please note that during the current circumstances, there is no access to the site for parents/carers whilst activities or fixtures are taking place. Students will make their way off site via the Academy Pedestrian Gate situated on the Bus Loop.

In the case of any "away" fixtures, parents/carers are advised to wait in the designated parking bays in the bus loop. Students will be permitted to make contact with their parents/carers using a mobile device if there are any delays. Staff will make contact on the behalf of any students who are struggling to make contact with their parents/carers.

Codes of Conduct

Inside the school planner, there is a code of conduct for students regarding our high expectations when representing the school. This includes conduct during the school day in lessons. School sport and physical activity opportunities often take part during the school day and requires students to miss lessons and catch up with the academic work missed. It is a privilege for students to have these opportunities and they need to be earned by following the whole school expectations around attendance, behavior and conduct.

There is also a parent/carer code of conduct. When government guidance permits, we welcome parents/carers to support their children in activities, however we aim to create a positive education environment for students, team managers and officials. Please be positive and remember we all make mistakes. Students do have to learn that winning and losing is part of the sport and physical activity and should be done with grace and humility.

Summer Term Learning/Enrichment

As part of our offer, on the rainy days during the Summer holidays, we can facilitate students to undertake the Sports Leaders UK Activity Volunteer Programme Leadership Course via e-learning. If you are interested in your son/daughter undertaking this course, please e-mail SMCSport@smchull.org and we will send you the resources.

If you have any questions or queries, please do not hesitate to contact me via e-mail SMCSport@smchull.org.

Yours sincerely,

M Arridge
