

4th March 2021

Dear Parent/Carer

Roadworks which will affect the 940 Bus Service

We have been informed that there is on-going roadworks in the Anlaby Road area until the 4th April. These works will have an impact on the **940 bus service on an evening only**. The morning journey will not be affected.

Redirected 940 route (pm journey only) from Monday 8th March 2021

After Calvert Lane the bus will travel down Spring Bank West, it will turn around at Derringham roundabout, back up Spring Bank West, right onto Walton Street, then left onto Anlaby Road to serve the eastern section and Hull Royal Infirmary.

Please ensure your child is aware of these works. If these diversions affect where your child embarks/disembarks the bus, please ensure that they know which stop they will need to use.

As a result of the COVID pandemic, we continue to ask our students to comply with the following:

- Pupils will be issued with a designated seating area on our scholar bus services. They must move immediately to their area and remain in it for the entirety of their journey. Seating will be arranged in year groups.
- Pupils will only be permitted to travel on services where they have made an application in advance and been allocated a space.
- Pupils must wear their provided face mask for the duration of their journeys and in transit to and from their year zone. When they arrive at their zone each morning, students can remove their mask in designated outdoor spaces but must wear them inside school buildings. Tutors will invite pupils to remove their face masks once they are inside form rooms.
- Failure to behave in accordance with our school policy, consistently with our school ethos, or putting another pupil or the bus driver's safety or well-being at risk, will lead to the school's hierarchy of sanctions being applied and may result in a temporary or permanent ban.

Yours sincerely

G Wild
